2017-2018 TITLE IV AID PAYMENT AUTHORIZATIONS

Student Name: ____________________________  Student ID #:______________________

The authorizations listed below will tell WCSU how you would like the school to apply your financial aid to your student account. This authorization will remain in effect for each subsequent payment period for the academic year for which you are accepting your award. This authorization may be changed at any time by completing a new authorization form. Changes to authorization will not be retroactive. This form must be completed and submitted by all financial aid recipients.

A. Authorization to Pay Non-Title IV Charges

Federal regulations require that the University apply your Title IV financial aid funds first to "allowable charges," which are tuition, mandatory fees, and housing and meal charges contracted with the University. In order to apply any remaining Title IV funds to miscellaneous charges (e.g., parking fees, library fines, late fees, ID card replacement fees) the University is required to obtain your authorization.

If you do not authorize your financial aid to be applied to such charges, then your financial aid will not be applied to them. An outstanding balance on your account, and/or assessment of late fees, and/or restriction of services may result until you pay the balance with personal funds.

**Do you authorize WCSU to use Title IV financial aid to pay miscellaneous charges where applicable?**

□ Yes  □ No

B. Authorization to Pay Prior Academic Year Charges

The financial aid that you have been offered has been offered to you for this current academic year and will be applied as authorized for the respective year.

**In the event that you owe a balance from a prior academic year, do you authorize WCSU to apply up to $200.00 of your financial aid to the prior year charges?**

□ Yes  □ No
