

Western Connecticut State University's
Department of Theatre Arts
Presents

Shakespeare's Twelfth Night

Adapted and Directed by
Pam McDaniel

Brief Synopsis:

Shakespeare's "Twelfth Night" is the original take on sexual identity and the vagaries of love. It combines mistaken identity with the plights of a cross-dressing aristocratic woman and her missing twin brother, an intoxicated uncle and his foolish friends, a beautiful lady-in-waiting and all types in between.

There will be no intermission.

The show runs 1 hour 40 mins

Latecomers will be seated at a suitable break in performance. As a courtesy to others, please set pagers to silent mode. Cellular phones and other audible electronic devices should be turned off so they will not interrupt the performance. Photography and videotaping are not permitted due to copyright restrictions. Flash photography is dangerous to performers by causing momentary blindness
