

APPLICATION FOR ADMISSION

CERTIFICATE FOR INTERMEDIATE ADMINISTRATION AND SUPERVISION (ENDORSEMENT #092)

The following three requirements were set forth by the CSDE for admission to a program for a Certificate for Intermediate Administration and Supervision. These criteria must be met by all applicants:

- 1. Hold a Master's degree in education or a related field from an accredited institution.
- 2. Evidence of five years of full-time educational experience in a PK-12 setting.
- 3. Completion of at least 36 semester hours of a special education course.

For WestConn's program, the entrance materials will include three additional types of information:

- 4. Two recommendations, using a form with specific criteria and questions developed in conjunction with faculty at WCSU, CCSU and local administrators. One recommendation must be completed by the candidate's district superintendent or someone designated by the superintendent at the executive level of the school district (Central Office), and the second should be submitted by a supervisor of the applicant.
- 5. An Application and Leadership Mini-Portfolio must be completed by each applicant and assessed using a scoring rubric. This rubric incorporates knowledge, skills, and dispositions targeted throughout the program and on the Employer Survey.
- 6. An interview including an accompanying 4-point rating of target criteria will be completed by all interviewers.

An Admissions Committee will minimally consist of the Educational Administration Program Coordinator, at least one other faculty member from the EdD Program, and a present or former local school administrator. All candidate materials will be reviewed by the admissions committee before entry to the program will be granted.

Admissions Procedures:

- 1. After students are admitted to the EdD in Instructional Leadership Program, they will complete the first course in the EdD and 092 program, ED800: Foundations of Instructional Leadership. Students will then declare their interest in pursuing the 092 certificate.
- 2. Students will have the opportunity to participate in a variety of Pre-practica experiences through their coursework.
- 3. Students will complete two additional courses in the EdD program (ED804: Learning, Cognition, and Teaching, and ED820: Topics in Curriculum and Instruction). At this time, they will confirm a commitment to the 092 certificate program.
- 4. After the fourth course is completed, ED805: Research and Evaluation in Education, applicants will submit two recommendations, a mini-portfolio, and the name and title of a mentor to the 092 Program Admissions Committee.
- 5. All applicants will be interviewed and notified of acceptance, prior to an orientation meeting in May and the beginning of the summer courses offered by CCSU faculty.
