POSITION DESCRIPTIONS			
A Computer Center Assistant provides support in computer accounts and basic computer and program use to students, faculty, and staff in the computer centers, as well as monitor and maintain the centers, 24-hour labs, and technology classrooms on campus. A CCA also informs students of available technology resources at WestConn.			
A Training Specialist provides training in the programs listed on page two, along with all of the CCA responsibilities outlined above. Training Specialists may be asked to author new training materials, and hold workshops and one-on-one tutorials. Hours are mostly on Midtown campus in the Student Technology Training Center SC 225 (STTC).			
A ResNet Support Specialist provides support to students living in the Residence Halls who have issues connecting to the ResNet network, along with all of the CCA responsibilities. Applicants are expected to be technically proficient and have great interpersonal communication skills. Experience troubleshooting Windows based laptops is preferred.			
A Classroom Technology Assistant provides support for the technology in all WCSU classrooms. CTA's do not have hours in the staffed computer labs, and are treated as a separate position from CCA. CTA's have the freedom to make their own personalized schedules and are able to work at any time throughout the day (24/7). Their responsiblities include cleaning, checking, and maintaining the classroom technology on a weekly basis.
